New Building

In the Bicentennial year of 1976 we were privileged to gain a whole new section to our school. For the English minded students we have three new rooms; for the business oriented we have new business and typing rooms; the scientists have a biology room, chemistry room, and physics lab and a greenhouse; also there is a new library and cafeteria, and finally for the janitors there is an elevator for their ups and downs in life.

Can You Imagine?

Can you imagine Rod Ashcraft not giving Mr. Cooper a hard time?
Can you imagine Deb August not having car trouble?
Can you imagine Marcia Ballinger getting a joke in 15 minutes?
Can you imagine Tom Beall not talking out in his classes?

The Student Council sponsored many of the usual things this year, like the Magazine Drive, Sports Intramurals at noon, the Talent Show, the All School Party, and the Homecoming game. We also did some extra things like getting music piped into the cafeteria, and a pop bottle cap drive. After all this hard work the seniors unanimously made a motion to adjourn.

Foreign Students

"During my stay at Kagy's, I enjoyed being pulled through the snow and ice on the sled by Father Kagy. Winter time was my favorite time. I also liked going to basketball games. In my country, we have different hours to eat and many more school hours."

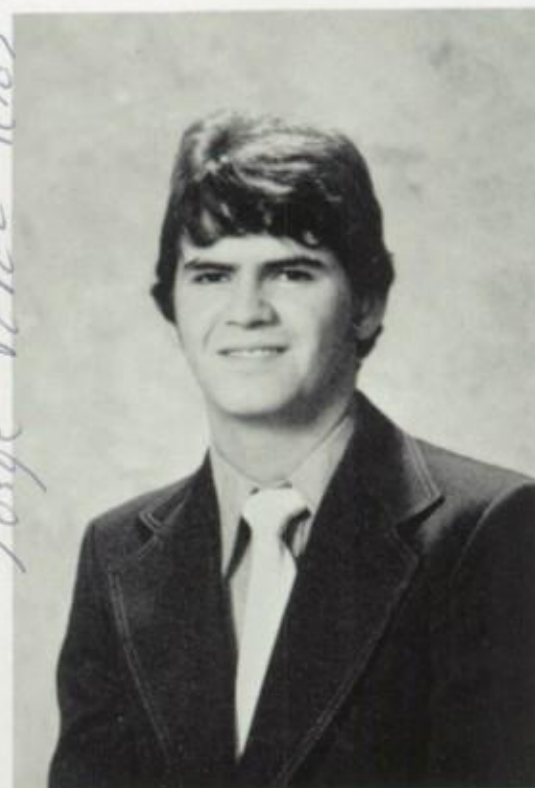

Maria Llamosas

"The people are very nice and everyone has made my stay in this country a pleasure. I want to thank my host families, the Tongs and Maases, for their hospitality as well as everyone else. The one thing I like about this country is the snow; we don't have much of it in Mexico and it is a real treat. As long as I live, I will never forget this year at Van Buren. As one of my friends might say, 'Very grateful, very grateful, and very grateful.'"

The Music Department this year has given an atmosphere of good spirits to the students and the community through their many activities. Other than the regularly planned Winter and Spring Concerts, the musically-minded students, led by Mr. Scothorn, worked long hours towards the performance of the musical "Carousel," which is further described in the supplement.

The 1975 Van Buren Football season proudly displayed an overwhelming spirit which generated an outstanding BVC record of 5-3-1. This was topped off by a surprising but welcome victory over North Baltimore. It was Van Buren's best season in over 30 years. Much of the credit goes to the effort made by the 12 seniors who, ably supported by the underclassmen, turned in a fine season's performance.

Homecoming 1975

The Homecoming festivities of 1975 were a big success. The crowning ceremony was held on Friday night, October 3, 1975, before the football game. Our queen, Karen Stacy, was crowned by Van Buren's former Homecoming Queen, Miss Lilli Sterling. In honoring our lovely court, the Black Knight team defeated the Vanlue Wildcats by a score of 36-0. On Saturday night a dance was held in honor of our 1975 Homecoming Court. The music was provided by the rock band "Shadow."

Why Findlay?

Going away to school has its advantages. But have you considered the advantages of going to a school near your home?

1. The people you've made contact with during your high school years don't lose track of you for four years. They can watch you grow from a high school graduate into a mature thinking adult--and perhaps provide some of the guidance and experiences that help you along your way.

2. The people you'll meet at college--local teachers, principals, and business people--are all leaders in your community. And if you plan to live in the Hancock County community after graduation, these same people will be in position to hire you for your first job.

3. You can live at home and save some of the high costs of education.

4. And if you live at home, you're more likely to keep up with a part-time job--helping you make the money you'll need at college and the contacts you'll need when you're ready to start your career.

How about it? Is it worth looking into? Contact the Admission Office at Findlay College, 422-8313.
